

## **Do you want to gain more translation experience?**

### **Would you like to...**

- Find out if a career in translation is something for you?
- Get some more translation experience during your studies?
- Work from home and decide when you work?
- Earn extra money with your passion for languages and translation?

Then we have the right opportunity for you! AccessEast is a specialised translation agency for Slavic and Turkic languages. We help companies in Western Europe succeed on the Eastern European market with our translation services and are constantly looking for new Bulgarian translation talent.

You will be translating documents into your mother tongue and will do this on a remote, freelance basis. This way, you can boost your translation skills, earn extra money and decide yourself where and when you work. You will be paid per source word.

Simply send your CV to [hr@accesseast.eu](mailto:hr@accesseast.eu) and we will get in touch with you soon.
